## Applying as a Transfer Student

In addition to the standard documents required for their degree, all international transfer students must submit the following:

- Copy of an F-1 Student Visa and I-94 Form.
- Copy of I-20 Form used for initial entry to United States.
- Copy of current I-20.
- Original Transcripts from the current university, confirming regular enrollment and satisfactory academic standing.

If the University of Northern Virginia has signed a specific articulation agreement with the accredited school from which the student is transferring, a maximum of **90** credits may be transferred. This occurs infrequently.

For students who already hold an Associate's degree from another institution, or for whom the dean accepts credits as a "block transfer," **ninety** credits may be transferred and applied toward a bachelor's degree at UNVA.

All course selections or substitutions must have the approval of the academic advisor.

Credits earned at any UNVA location are granted by the university, and are not considered transfer credits. Credits earned at one UNVA location will be utilized at another location with no transfer issues raised.

### SEVIS/I-20 Transfer Process

In order to transfer your I-20 to the University of Northern Virginia you will need to do the following:

1. Apply for admission to UNVA.
2. Obtain an admission letter and SEVIS Transfer Release Form. Both documents will be sent to you upon your successful admission to UNVA.
3. Have the International Students Office, Registrar's Office, or other Designated School Official at your current university complete and return the SEVIS Transfer Release Form to UNVA as a confirmation of your approved SEVIS transfer to our university.
4. Upon the receipt of the SEVIS Release Form, UNVA will issue your new I-20.

Please note that once your student record is released from your current university and transferred to UNVA you will no longer be eligible to continue CPT, OPT, Academic Training, or work under the old I-20. You will have to communicate with UNVA Office of Admissions to arrange for a new I-20 issued by the University of Northern Virginia.

### Official Credentials Evaluation

All credits obtained at foreign institutions must be evaluated by an official evaluating agency to be considered for a credit transfer to the University of Northern Virginia. This is to ensure course and program content is similar or equivalent to United States educational standards and also similar or equivalent to the courses and programs offered at the University of Northern Virginia. You may have your credentials translated and evaluated by any member of the **National Association of Credential Evaluation Services** at [www.naces.org](http://www.naces.org).

# English Language Proficiency

To complete a program at UNVA without developmental English classes, an applicant must have received four years of education in English, or attained the required TOEFL/IELTS score.

Admitted students without English Proficiency scores (TOEFL or IELTS) will be given an English Placement Test when arriving on campus.

Applicants with low TOEFL/IELTS scores, or less than four years of education in an English medium, may be admitted with an “English Language Condition.” This condition may be exempted by the ESL coordinator or admissions committee after conducting an interview.

Applicants admitted to the UNVA Full-Time English Program will not be able to enter an academic program until the necessary level of English proficiency is achieved.

Undergraduate Applicants must meet **ONE** of the following requirements to be admitted without English Condition:

- ❖ Four years of secondary schooling through the medium of English;
- ❖ TOEFL score of 61 (internet based) ) OR 173 (computer based) OR 500 (paper based);
- ❖ IELTS score of 5.0.

The following table summarizes various options for applicants who have not received sufficient education through the medium of English. Find your TOEFL/IELTS score in Columns 1-4; then look at Column 5 to see which program you may enter, along with the developmental English courses indicated.

# Arrival and Housing

## Planning Your Departure and Arrival

**The Department of Homeland Security requires students to arrive at the United States at least 30 days prior to the course start date shown on the Form I-20<sup>3</sup>.**

All students are expected to arrive on campus in time to attend orientation and register for courses as per the course registration schedule and academic advisement for new students.

If you do not arrive during the required time period, you may not be allowed to enter United States. The Office of Admissions can issue special authorization for late arrival, but not arrival later than the first day of the enrollment term. This authorization is only given if the student presents substantial evidence regarding their inability to arrive at the required time.

Please contact the Office of Admissions as soon as you have made travel arrangements. If housing assistance is required, please communicate this information to your admissions counselor upon receiving visa approval.

**Your arrival destination** should be Washington Dulles International Airport (IAD). If your flight arrival is not scheduled during office hours, inform your Admissions Counselor. This is especially important for students requiring housing assistance upon arrival to the U.S.

## Housing Assistance

**Housing is available for all students who request housing assistance and agree to the terms and conditions specified in the UNVA Housing Assistance Agreement.**

### Information regarding housing shared by two students:

- Basic utilities (water, trash collection, gas and electricity) are included.
- UNVA requires 3 months' advance payment plus 1 month deposit (\$500 X 3 = \$1500 + \$500 = \$2,000). The deposit is refundable providing that students leave the apartment with no outstanding charges or damage.
- Any outstanding amounts will be deducted from the deposit. Students wishing to rent housing for more than 3 months will be required to repeat this process and pay an additional 3-month deposit.

For housing assistance, please inform your admissions counselor and/or Mr. Muhammad Abbasi, Asst. Director of Student Activities, at [mabbasi.admin@unva.edu](mailto:mabbasi.admin@unva.edu).

Alternatively, you can send an email to [info.admissions@unva.edu](mailto:info.admissions@unva.edu) specifying your request for housing information.

## Healthcare Insurance for International Students

The University of Northern Virginia provides assistance for purchasing medical coverage to all UNVA students. You will receive the relevant application during orientation and registration.

# International Applicant Resources

The following information is provided by the U.S. Department of State, Bureau of Consular Affairs to assist international students.

## When Do I Need to Apply for My Student Visa?<sup>4</sup>

- Students are encouraged to apply for their visa early to provide ample time for visa processing. Students may apply for their visa as soon as they are prepared to do so.
- The consular officer may need to get special clearances depending on the course of study and nationality of the student. This can take some additional time. For more information on applicants who may have additional processing requirements see [Special Processing Requirements](#).
- Students should note that U.S. Embassies and Consulates are able to issue your student visa 120 days or less, in advance of the course of study registration date. If you apply for your visa more than 120 days prior to your start date or registration date as provided on the Form I-20, the Embassy or Consulate will hold your application until it is able to issue the visa. Consular officials will use that extra time to accomplish any of the necessary special clearances or other processes that may be required.
- Students are advised of the Department of Homeland Security regulation which requires that all initial or beginning students enter the U.S. 30 days or less in advance of the course of study start/report date as shown on the Form I-20. Please consider this date carefully when making travel plans to the U.S.
- A beginning student who wants an earlier entry into the U.S. (more than 30 days prior to the course start date), must qualify for, and obtain a visitor visa. A prospective student notation will be shown on his/her visitor visa and the traveler will need to make the intent to study clear to the U.S. immigration inspector at port of entry. Before beginning any studies, he or she must obtain a change of classification, filing [Form I-539](#), Application for Change of Nonimmigrant Status, and also submit the required Form I-20 to the Department of Homeland Security office where the application is made. Please be aware that there is an additional fee of \$140 for this process, and that one may not begin studies until the change of classification is approved.
- Continuing students may apply for a new visa at any time, as long as they have been maintaining student status and their SEVIS records are current. Continuing students may also enter the U.S. at any time before their classes start.

## What are SEVIS and SEVP? What should you know?<sup>5</sup>

The Student and Exchange Visitor Program (SEVP) is designed to help the Department of Homeland Security and Department of State better monitor school and exchange programs and F, M and J category visitors. Exchange visitor and student information is maintained in the Student and Exchange Visitor Information System (SEVIS). SEVIS is an Internet-based system that maintains accurate and current information on non-immigrant students (F and M visa), exchange visitors (J visa), and their dependents (F-2, M-2, and J-2). SEVIS enables schools and program sponsors to transmit mandatory information and event notifications via the Internet, to the Department of Homeland Security and Department of State (DOS) throughout a student or exchange visitor's stay in the United States. All student applicants must have a SEVIS generated I-20 issued by an educational institution approved by DHS, which they submit when they are applying for their student visa. The consular officer will need to verify your I-20 record electronically through the SEVIS system in order to process your student visa application. Unless otherwise exempt, participants whose SEVIS I-20 was issued on or after September 1, 2004 must pay a SEVIS I-901 Fee to the Department of Homeland Security for each individual program. The fee may be paid either through a special website, via Western Union, or by mail. See [SEVIS-901 Fee](#) or [SEVIS](#) for further information on how to pay the fee.
